

Amendments to the Specification:

Please replace paragraph [0004] with the following paragraph:

[0004] Additionally since many locations may be checked simultaneously, this may lead to cross-coupling interference which may affect the performance of a CAM. This presents a problem.

Please replace paragraph [0024] with the following paragraph:

[0024] Figure 20 illustrates one embodiment of the invention showing a single data line via pickup; and
